WHY CATHOLICS SHOULD VOTE NO TO THE ERA

On November 5th, New Yorkers will vote on the “**Equal Rights Amendment,**” or “**Proposition One,**” a vaguely worded, unnecessary, and dangerous state constitutional amendment that would result in serious negative consequences by expanding “equal protection under the law” to include, among other things: age, sexual orientation, gender identity, gender expression, and reproductive healthcare.

What does the ERA say?

Proposed changes to the constitution in **BOLD**

“No person shall be denied the equal protection of the laws of this state or any subdivision thereof.

No person shall, because of race, color, ETHNICITY, NATIONAL ORIGIN, **AGE,**

3

2 **DISABILITY,** creed [or], religion, OR

SEX, INCLUDING SEXUAL ORIENTATION, GENDER IDENTITY, GENDER EXPRESSION,

1 **PREGNANCY, PREGNANCY OUTCOMES, AND REPRODUCTIVE HEALTHCARE AND AUTONOMY,**

be subjected to any discrimination...”

What would the ERA do?

1. Enshrine abortion up until birth in the New York State Constitution.

Abortion limitations to protect women and children would become impossible to pass. Conscience protections of health care professionals and individuals would also be threatened.

2. Allow children to make life-altering medical decisions without parental consent.

Children experiencing gender confusion would be able to seek gender reassignment therapies and surgeries without parental consent or knowledge.

3. Loosen age-appropriate restrictions.

Common sense age-restrictions on “sexual freedom” and the potential “right to die” would be endangered.

What can you do?

- **Vote NO** to the ERA in November!
- **Share** this information with other voters
